Company Policy (Executive Message)

Corporate Philosophy

We contribute to the local community with the awareness and pride of Zeon Corporation Group employees.

Our goal is to be happy to say we work for Zeon Yamaguchi, and to create friendships.

Quality Policy

In line with our goal of enhancing customer satisfaction, our professionally-minded personnel are constantly making use of our improved quality management system to create "better products, more reliably, and more safely."

- * "better products" means always taking pride in the products that we manufacture, and meeting the standard of quality required by our company and by our customers.
- * "more reliably" means winning customers' trust by using first-rate technology and skills to deliver products on schedule.
- * "more safely" means working constantly to enhance CSR awareness and safety awareness, ensuring that work is performed safely and securely.

Enterprise Blueprint for 2030

Zeon Yamaguchi's Enterprise Blueprint for 2030 is the realization of the corporate philosophy noted above.

President
Toshiyuki Koumura
