Notification of Price Increase for Chemicals

Zeon Corporation

Zeon Corporation has announced that global selling prices for thermoplastic elastomer and hydrocarbon resin will be raised as listed below.

1. Price increase by the product type

- Thermoplastic elastomer SIS (Product name : Quintac®) : US\$ 390/MT*
- Hydrocarbon resin (Product name : Quintone®) : US\$ 160/MT*

*per metric ton

2. Effective date

The price rise will come into effect from shipment of October 21st, 2022.

3. Reason for the price increase

Due to an increase of fuel expense, it became difficult for us to absorb the rising cost of products. The price increase is necessary to ensure supply security, service standards.
