Publication of Zeon Group Integrated Report 2022

Zeon Corporation

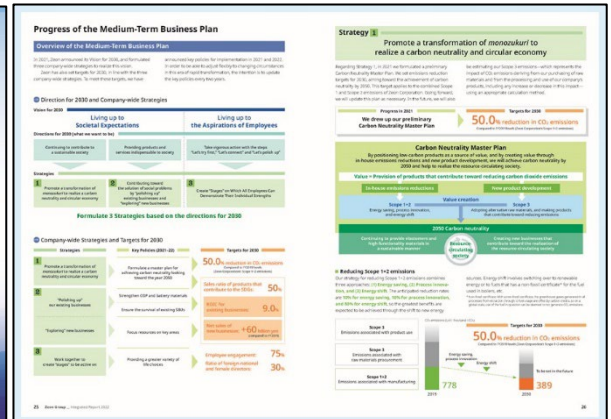

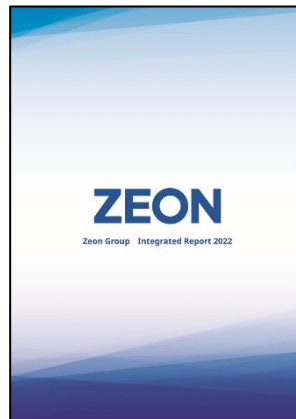

Zeon Corporation (head office: Chiyoda-ku, Tokyo; President and CEO: Kimiaki Tanaka) has published the Zeon Group Integrated Report 2022, an expansion of the Corporate Report it had previously been publishing.

Under its Medium-Term Business Plan, Zeon aims to attain its Vision for 2030 of becoming “a company that lives up to societal expectations and the aspirations of employees” through its SDG initiatives. It established the new Sustainability Policy in July 2022 to develop its CSR management into sustainability management with a broader perspective and is working to realize a sustainable society by ensuring that every employee practices sustainability-conscious behavior and activities and by engaging in dialogue and collaboration with stakeholders.

The Integrated Report 2022 provides a detailed explanation of Zeon’s overall efforts under its Medium-Term Business Plan for contributing to a “Sustainable Earth” and “Safe and Comfortable Life” by providing unique technologies and services, including its business model, business strategy, and progress in its various initiatives, as well as sustainability management.
