

## Possible discontinuance of UK production

---

March 31, 2015

Zeon Chemicals Europe Limited (Sully, Vale of Glamorgan, CF64 5ZE, United Kingdom), a wholly owned subsidiary of ZEON CORPORATION (1-6-2 Marunouchi, Chiyoda-ku, Tokyo, Japan), is considering the discontinuation of its production operation and has entered into consultation with its employees regarding this.

The primary reasons for the consideration are:

1. Uncertainty in long term availability and supply of primary raw materials to the UK site
2. Changing market conditions
