

Warning Against Counterfeit Zeon Products

Zeon Corporation (Zeon) has discovered through independent research that counterfeits of Zeon's ZEONEX® and ZEONOR® are being sold in the People's Republic of China.

In some of these cases, falsified COAs (Certificate of Analysis) were found attached to the counterfeit products upon delivery.

Please note that ZEONEX® and ZEONOR® are sold only through Zeon's authorized sales agents and are not available for sale online or over the counter.

Zeon assumes no responsibility whatsoever for any defects or accidents caused by the use of a counterfeit product.

In addition, Zeon is under no obligation to respond to requests for replacement, return, or refund with regard to any counterfeit product.

For information on authorized sales agents and queries regarding counterfeit products, please contact us directly by phone or through [the contact form on our website](#).
